100-1
Rear Admiral Laurence H. Frost
Director of Naval Intelligence
Department of the Navy
Washington, D. C.

Dear Jack:

Referring to our conversation of this morning, I enclose the section of my testimony before the Johnson Subcommittee on November 27, 1957, with regard to the submarine matter. You will note that this conforms to the agreed estimate on the subject and is quite in line with Admiral Weakley's testimony.

If you consider appropriate, I would be glad to have Admiral Weakley see this copy of the testimony. The section in parenthesis and the rewrites represent our corrections of the stenographic text submitted to us.

Faithfully yours,

Signed

Allen W. Dulles
